

H

Colony House, Newport

Installation of a handicap ramp, handicap bathroom and stair lift to create access to an important, State of Rhode Island owned historic structure. Complete restoration of structure, trim and rails at second floor exterior portico. Replication of door and paneling in the meeting area. The project balanced the requirements of modern building codes and the American Disabilities Act with the principles of Historic restoration.

Completion date: May 2002
Architect: Domenic Carbone
